

PUBLIC NOTICE

PERMIT APPLICATION: NRS 06-215

APPLICANT: Kevin McCaleb
J&S Construction Co., Inc.
1080 South Willow Avenue
Cookeville, TN 38501
(931) 528-7475

LOCATION: Near the intersection of South Willow Avenue and Humble Drive on the west side of South Willow; Cookeville, Putnam County.

WATERSHED DESCRIPTION: Caney Fork River Watershed (HUC 05130108). Surrounding land use is primarily commercial. An unnamed intermittent stream occurs on the property with three small wetland areas. Surface flow is confined entirely on the subject property in a one foot wide and two foot deep channel. It originates at a seep from wetland #3 (0.03 acres) and wetland #2 (0.03 acres) and flows 337 linear feet to wetland #1 (0.01 acres) . The wetlands are dominated by cattail.

PROJECT DESCRIPTION: The applicant is proposing a commercial development that will require the placement of fill over 337 linear feet of an unnamed stream. In addition, the applicant will obtain a General Permit for Minor Alterations to Wetlands.

Compensatory stream mitigation shall occur with the payment of \$200.00/ linear foot or \$57,400 to the Tennessee Stream Mitigation Program.

USGS TOPOGRAPHIC QUADRANGLE: **Cookeville West 326- NE**

85.5273 long

PERMIT COORDINATOR: Mike Lee

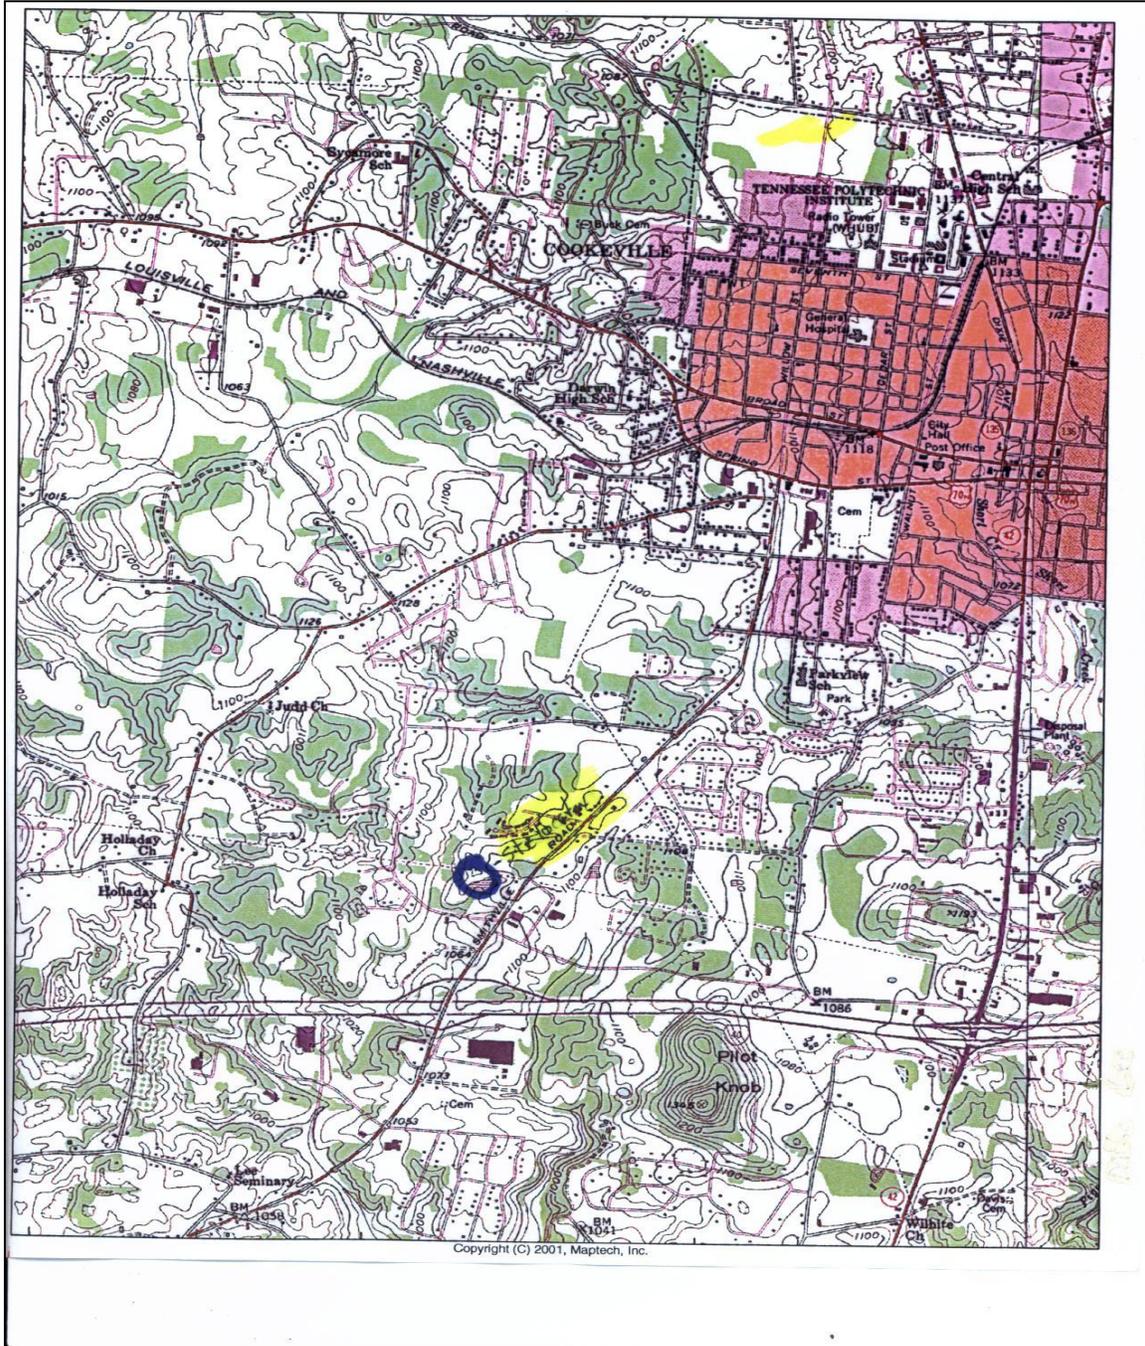

No decision has been made whether to issue or deny this permit. The purpose of this notice is to inform interested parties of this permit application and to ask for comments and information necessary to determine possible impacts to water quality. Persons wishing to comment on the proposal are invited to submit written comments to the department. Written comments must be received within **thirty days of the date that this notice is posted**. Comments will become part of the record and will be considered in the final decision. The applicant's name and permit number should be referenced.

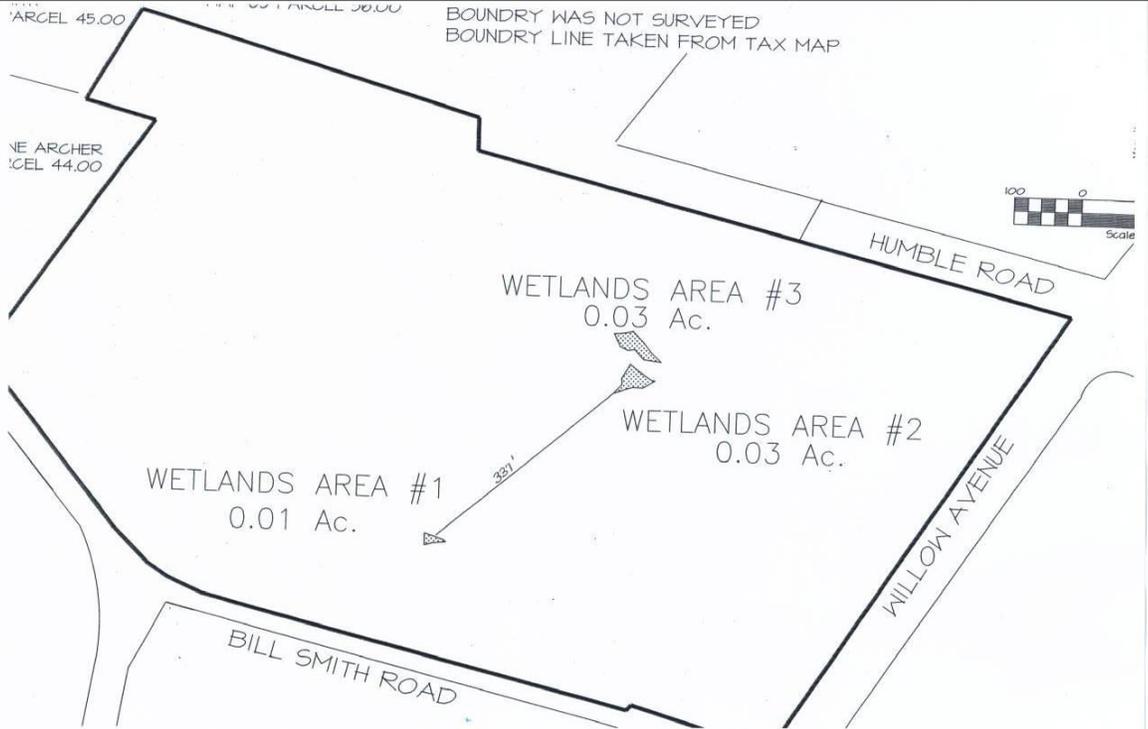

Interested persons may also request in writing that the department hold a public hearing on this application. The request must be filed within the comment period, indicate the interest of the person requesting it, the reasons that the hearing is warranted, and the water quality issues being raised. When there is sufficient public interest in water quality issues, the department will hold a public hearing.

The permit application, supporting documentation including detailed plans and maps, and related comments are available at the department's address for review and/or copying. The department's address is:

Tennessee Department of Environment & Conservation
Division of Water Pollution Control, Natural Resources Section
7th Floor L & C Annex
401 Church Street
Nashville, TN 37243

In deciding whether to issue or deny a permit, the department will consider all comments on record and the requirements of applicable federal and state laws.

APPROXIMATE LOCATIONS OF THREE WETLAND
AREAS AND 337 LINEAR FEET OF
STREAM.
